About this Digital Talking Book

[French: À propos de ce livre audio numérique]

Please note that "and page navigation" is only included for books where we have retained the original print page numbering. This is only in rare cases or upon reader request. The level and type of headings in the book will also need to be updated.

If the text you produce is something other than a book, such as a document or a report, you may change the text to reflect what the work is. (i.e. Changing the heading to "About this Digital Talking Document")

For every text to be converted to a DAISY book include the following information in the Front Matter section of the book, just prior to the copyright information.
