Alt-text Examples

On this page you will find examples of completed Alt-text. It is very important to follow the [General Guidelines](#), and other documentation on how to write image descriptions on the [Images main page](#).

The following examples are meant to be used as inspiration for writing alt-text. Remember, context will be the greatest influence for the alt text you create. These examples are subject to change as we adapt to new accessibility standards.

For Picture Book and Illustrated books, please see [Alt-text for Children's Books](#) for more information.
