# Page Numbers

NNELS will retain print pagination only if the page numbers exist in the original ebook.

## How to keep print pagination

Follow the pagination of the original book by inserting page numbers at the appropriate points in the text.

To enter a page number into MS Word:

- Match up the location of the page number in the original ebook (EPUB or PDF) to the Word DOC
- Create a new line (paragraph break)
- Insert the phrase PRINT PAGE # and style as Normal
- If there is a blank page insert the phrase PRINT PAGE # - Blank Page
