# Back Cover

[French: *Quatrième de couverture*]

Sometimes the back cover of a Picture Book can be just as informative as the front cover. In this case you would add the extracted image with appropriate alt-text in the similar fashion as the [Front Cover](#). Remember to put this information under the heading Back Cover in heading 1 style.

## Example

Back Cover (heading 1 style)

## Alt text:

A digital illustration of an adult driving a teal truck down a dirt road with a little girl in the passenger seat. The truck is kicking up dust, which flies behind it. There is a pack of large and small dogs chasing the truck. There are green pine trees in the background, and the northern lights can be seen in the sky. Coyote's constellation is also dancing in the sky.
